From the desk of Roger Hadan...

First Off, congratulations to Tyler Druke, Shane Hiatt, Trent Roth, Jeff Ware & Tommy Etherton on becoming Eagle Raceway's 2017 Track Champions. To be a champion at Eagle Raceway is a huge deal. Eagle Raceway is known for having stacked

competition in all classes. Thank you to all of the drivers that support us week in and week out. Without all of you, we could not put on the best racing events in the Midwest.

Also, congratulations to Adam Gullion for tackling yet another Sprint Series of Nebraska Championship. The Sprint Series of Nebraska was created to give RaceSaver Sprint Car drivers in the area a chance at IMCA National points. In 2018, two more tracks in the area have made a commitment to running IMCA RaceSaver Sprints weekly. One track will be running on Friday, and one track will run on Sunday. Therefore, we will not have a tour for the Sprint Series of Nebraska in 2018 so that these two tracks can be successful. It is a possibility for us to reestablish the Sprint Series of Nebraska in the future if car counts continue to increase in the area. Thanks to the drivers and crews that gave their support to the series and tracks involved.

Eagle Raceway's gokart track, Mini E Raceway has been growing over the years. It has proven to be a great starting point for Eagle Raceway's future "big track" drivers. Every year we see more and more gokart drivers move up to race on the famous high banks of Eagle Raceway. Racing's future seems bright! If you have kids that are interested in getting involved in the sport, we highly recommend coming on a Friday night and checking it out.

We are truly lucky to have the BEST of the BEST fans, drivers, crew members and staff. We realize that you choose to spend your hard earned money doing what you love, RACING! We will continue to strive to make your experiences bigger and better as we move forward into the years to come. I hope to see you all at the banquet in January to celebrate the 2017 season and welcome the 55th Anniversary, 2018 season.

2018 Car Membership Registration...

You may register your car numbers at any time by downloading the 2018 membership form from the driver info section of the Eagle Raceway website at www.eagleraceway.com. The form has an area for your W-9 info. The Terms of Agreement and Transponder Agreement is also in the driver info/section and must be signed, dated and turned in to the track office before race season.

All previous numbers will be honored until January 31st, 2018. After this date, there will be a \$25 late annual membership fee and all numbers will be open to other racers. You may send your forms in to: Eagle Raceway, PO Box 17, Bennington, NE 68007 or fax them to: 402-238-3768

The sooner you get your paper work into our office, the better, since all of your information needs to be entered into the SpeedScore system before you race. It will save a lot of time during check-in on race night. All info will need to be double checked against last year's info for address, phone, owner/driver changes that have occurred over the off season.

Mandatory IMCA check-in procedures: All IMCA drivers will need to show their 2018 IMCA License or proof of purchase of their IMCA License to be checked in their first night of racing. No License... No check-in!

2018 Minor's Membership Cards...

All Minors (14+) must have a Minor's parental consent and release form signed by both parents/guardians in front of a notary and a copy of their birth certificate or DL to the office before they can enter the pit member's area. You may call our office to have this form sent or emailed to you at 402-238-2595.

ALL minors will be issued a 2018 Minor's Card that they will need to present when paying for their pit event membership fee. (pit pass) **No card-no entry. You will not get a card until we have the notarized form and copy of your birth certificate on file.** Please try to get this form signed and turned in before the first race so that the process runs smooth. If we already have a birth certificate on file, then all you will need is the release form. **Each year, the insurance company requires a new form.** Please note... Minors under the age of 14 are not to enter the pit area at all. The only exceptions are certain Special Events. All Minors entering the pit area must have an adult to sign that they are responsible for the minor EVERY NIGHT.

2018 Pit Stalls...

If you purchased a pit stall for the 2017 season, you will have rights to that same pit stall in 2018 as long as it is paid for before 1-31-18. After this time, they will be open to any racer on the waiting list. You must be a registered driver or car owner for the 2018 season in order to own a pit stall. If you owned a pit stall but did not race at least one regular event in 2017, your pit stall is forfeited for 2018.

If you would like to be on the waiting list for a pit stall, please call 402-238-2595 before 1-31-18. (The list is already filling up fast so call ASAP)

2018 Reserved Pit Stall... \$125.00
Pit Stalls will be discounted (\$25 off) if reserved and paid for before 1-31-18

"Be a Hero" From the Desk of Racine Hadan...

Fans... How do you gain them or keep them?

This year I am making a mission out of helping Eagle Raceway drivers gain new fans. Why is this important to me? Well, if YOU don't have fans, Eagle Raceway doesn't have butts in the grandstands. You are, or should be HEROS! I want you to have crowds of kids coming to YOUR pit area to get autographs and people cheering YOUR name in the grandstands, because that makes a more EXCITING environment! Not to mention, sponsors are probably more likely to want to put their logo on the side of your car if people are actually watching you. New people coming into the facility not knowing a single driver or knowing much about racing at all is not going to gain return customers. If we can give them a reason to come meet you, or cheer for you. Maybe you can gain a new fan for the rest of your career in racing. So, in an effort to help you GAIN fans I have dreamt up some fun games to give fans more interaction with drivers. I listed just a few of them below that go with our "Lucky 55" theme this upcoming season.

-Jr. Fan Club Autograph Scavenger Hunt: Kids will be able to pick up autograph scavenger hunt cards at the Jr. Fan Club table on Saturday nights. They will have to come down into the pits or go to designated autograph sessions in order to get drivers signatures that are listed. Then the fan can take the completed card to the Jr. Fan Club Table to get a prize. (You get to meet NEW YOUNG FANS!) In order to be eligible to be on the Scavenger hunt cards, you have to be committed to being at least 80% of the races at Eagle Raceway, and have your own "hero cards" or something physical that you can sign yourself to give to the kids. Please either call 402-238-2595 or email r_hadan@hotmail.com and let me know that you would like your name to be on the Scavenger hunt cards by February 1st.

-"Lucky 55" contest: We will pick one class each week and each of the drivers will sign Frisbees. We will then throw the Frisbees into the stands to random fans. Whichever driver wins that event will take a picture in victory lane with the fan that caught their signed Frisbee, and that fan will win \$55. (Hopefully this creates a NEW fan cheering for you in the stands)

-BINGO!: We will pass BINGO cards out on an event night to every fan. Each driver will be assigned a number on the bingo card. (Hopefully the fans will be rooting for you to win if you are on their card!)

We have autograph sessions, car shows, Kid's Car Rides etc. for a reason... It is for you to meet new people and gain fans. If you don't go and meet people why would they root for you? The only reason they might is because of superficial reasons like, "I like him because he wins every week", or "I like her because she's a girl", or "I like him because Susie likes him". But not all of you win every week or have boobs, so you might have to put in a little more effort. You can do small things! Like ask to be involved in intermission activities, or walk up in the stands during intermission and sign hero cards and hand them to kids, or give up one of your koozies or T-Shirts each week and go throw it out in the stands. Also, I know it's hot in that racing suit of yours, but DO NOT TAKE IT OFF when you go into those grandstands. Let the kids see you in your suits. And do not forget to smile. Remember, you are their hero! Also, don't just pack up and leave the track as soon as the races are over. How are fans going to come meet you if you aren't even at your trailer to meet or sign autographs.

Go to events outside the racetrack. Take your car to a sponsor and display the car outside the store. Or put your car in a car show like the World of Wheels. Ask a local school if you can bring your car out and let the kids take pictures inside the car. You are also very welcome to ask us for help! If you are taking your car to a school or somewhere with tons of kids, we would probably love to give you some free youth tickets to try to get those kids to the track to watch you race! We realize that getting kids involved in racing is the only way that our sport will have a future. And when you go to these places, don't forget to wear your fire suit!

What about keeping fans? It is just as important to be a good influence. I realize that sometimes things don't go your way, or you may get upset about something that happened either big or small. But, talk or yell at us later, don't take an extra trip around the track and flip the flagman off in front of the fans or start talking smack about the track or another driver on social media and expect people to like you. How many people have stopped watching certain pro football teams because of them taking a knee during the national anthem? Remember, you might not think that your behavior is unacceptable or wrong, but someone else might have different views and opinions than you do. As a hero, you need to be careful what you do and say, because all eyes are on you. Be a Role Model, and be positive.

Hopefully this gives you some ideas and gets you ready for some of the things to come this upcoming season. If you have any thoughts, questions or want to sign up to be on the autograph Scavenger Hunt cards, please feel free to send me an email or call me .
